

Invitation to the XXVIII Ph.D. student meeting in Berlin 7th and 8th of June 2018

Dear doctoral candidates in hydrogeology and related subjects,
the doctoral candidates of the Hydrogeology Group at Freie Universitaet Berlin (FU Berlin) are pleased to invite you to the 28th Ph.D. student meeting to be held at FU Berlin on the 7th and 8th of June 2018. The meeting is kindly supported by the International Association of Hydrogeologists (IAH) and the Fachsektion Hydrogeologie in der DGGV (FH-DGGV).
The tentative schedule is the following:

Thursday, 7 th of June	Field Trip: "From the High Planes to the Glacial Valley" (Icebreaker)
Friday, 8 th of June	Presentations, exchange and discussion

Food, drinks and the field trip are free of charge. Accommodation and travel have to be arranged by yourself.

If you are interested to share your research and ideas with other doctoral candidates please send an e-mail including a max. one-page abstract together with an indication if you would prefer an oral or poster presentation by **26th of February 2018** to b.gabriel@fu-berlin.de.

Looking forward to your positive response,

Babette & Theresa
