

Personal Information

First name : Kamaladdin **Surname:** Bazargani-Guilani
Birth date : June 3rd, 1943 **Sex :** M
Phone : 00982166491623 **Address :** Faculty of Geology, University of
E-mail : Kbazargani@ut.ac.ir Tehran Tarbiat Moallem
14155-6455; Tehran, Iran

List of Articles by Bazargani-Guilani

Bazargani-Guilani, K., and Youssefey, P.: Mineralogy of the Bentonite Dentonite Deposits of Kuh-e-Arshe, East Semnan, North Central Iran : (in Preparation) .

Bazargani-Guilani, K., Valizadeh, M. V., and Parchekani, M.: Eocene Volcanism Characteristics in Taroum Mountains on the West Central Alborz, Iran, with View to the Contemporary Volcanism in Turkey , Alpine-Himalaya Belt; Scientific Quarterly Journal Geosciences, (inPress) .

Bazargani-Guilani, K.; Mosaddgh H., and Fathi, S.: Characteristic of Jurassic Dolomite, North of Damghan, Central Alborz, Iran; *Journal of Carbonates and Evaporites*, (in Press) .

Bazargani-guilani, K., Daneshian, J., Amini, A., and Nekouvaght Tak, M. A.: Origin of Celestite from Chahaltan Regions, Upper Eocene Kocene Kond Formation, Central Alborz, Iran; (in preparation) .

Nekouvaght Tak, M. A. and **Bazargani-Guilani, K.:** Gold Metallogeny of the Astaneh-Nezamm Abad Area: Eocene Reduced Intrusion-Related Gold system in the Sanandaj-Sirjan Tectonic Zone, West-Central Iran; (in preparation) .

Bazargani-Guilani, K., and Rabbani, M. S.; Genesis of the Zeolite Deposits of south-east Semnan, north Central Iran; *British Zeolite Association Meeting (BZA)*, 2009

Nekouvaght Tak, M. A., **Bazargani-Guilani, K.,** and Faramarzi, M.: Geology and Geochemistry of the Lead-Zink Carbonat-Hosted MVT Mineralization in the north Semnan, central Alborz, Iran; *Proceeding of the Tenth Biennial SGA Meeting*, Townsville, Australia, 499-501, 2009 .

Bazargani-Guilani, K., Faramarzi, M and Nekouvaght Tak, M. A.: Multistage Dolomitization in the Cretaceous Carbonates of the East Shahmirzad Area, North Semnan, central Alborz, Iran; *Journal of Carbonates and Evaporites* (2010).

Bazargani-Guilani, K., and Parchekani, M.: Post-Collisional Alkaline Plutons in the Tarom Mountains, west Alborz Ranges in Iran with View to the Similar Alkaline Plutons in Turkey; *Turkish Journal of Earth Sciences (Turkish J. Earth Sci.)*; (Paper submission).

Bazargani-Guilani, K., and Parchekani, M.: Diagenetic Analcime in Tuffs of Karaj Formation, central Alborz, Iran; *International Symposium on Zeolites and Microporous Crystals (ZMPC)*, Waseda-University, Tokyo, Japan, 2009 .

Bazargani-Guilani, K., and Rabbani, M.S.: A Review on the Natural Zeolites of the Central Iran; *International Symposium on Zeolites and Microporous Crystals (ZMPC)*, Waseda University, Tokyo, Japan, 2009 .

Bazargani-Guilani, K., Rezaei, S., and Youssefey, P.: Mineralogy and Composition of Zeolites from Volcaniclastic Rocks, southeastern Semnan, north Central Iran; *International Symposium on Zeolites and Microporous Crystals (ZMPC)*, Waseda University, Tokyo, Japan, 2009 .

Bazargani-Guilani, K., and Yazdani, S.: Chemical Variation and Genesis of Amygdale-Cavity-Filling Analcime of south Tehran Regions, north Central Iran; *International Symposium on Zeolites and Microporous Crystals (ZMPC)*, Waseda University, Tokyo, Japan, 2009 .

Bazargani-Guilani, K., and Yazdani, S.: Sequence of Zeolites and Associated Secondary Minerals in Volcanic Rocks of south Tehran Regions, north Central Iran; *International Symposium on Zeolites and Microporous Crystals (ZMPC)*, Waseda University, Tokyo, Japan, 2009 .

Nekouvaght Tak M. A., and **Bazargani-Guilani, K.:** "Chemical Variation of Tourmaline and Source of Hydrothermal Solution in Nezam Abad W- (Sn) Ore Deposit, Sanandaj-Sirjan Zone, West Central Iran; *Journal of Sciences Islamic Republic of Iran*; 20(2), 115-126, 2009.

Bazargani-Guilani, K., and Rezaei, S.: Mineralogy and Genesis of Zeolitic Succession of Sartakht Area, SE-Semnan, north Central Iran; *Journal of Science University of Tehran*; 34(2), 65-73, 2008, (Persian, English abstract) .

Tutti, F., Yazdani, S., and **Bazargani-Guilani, K.,** Geochemistry and Petrogenesis of an Alkaline-Calc Alkaline Volcanic Suite north Central Iran : The Role of Crystal Fractionation

and Enrichment Processes in a Back-arc Environment; *Scientific Quarterly Journal Geosciences*, 17(67), 210-223, 2008, (Persian, English Abstract) .

Bazargani-Guilani, K., and Faramarzi, M.: Petrogenesis and Composition of retaceous Dolomites, Shahmirzad, central Alborz, Iran; *Jornal of Science University of Tehran*, 34(1), 23-36, **2008**, (Persian, English abstract) .

Bazargani-Guilani, K. and rabbani, . s.: Chemical Composition and Genesis of Analcime from Tuffs of Karaj Formation (Eocene), Central Alborz, Iran; *Journal of The Geological Society of India*, 6, 71, 859-868, **2008**.

Bazargani-Guilani, K., Rabbani, M. S., and Salavati, M.: Study of few Zeolitic occurrences in Guilan Province, Iran; *Iran International Zeolite Conference (IIZC08)*, 427-428, **2008**.

Bazargani-Guilani, K., Rabbani, M. S., and Youssefey , P.: Analcime and Natrolite of South Shahr-e-Ray, North Central Iran; *Iran International Zeolite Conference (IIZC08)*, 421-422, **2008**.

Bazargani-Guilani, K., Rabbani, M. S., and Irajian A.A.; Analcime in tuffs of Karaj Formation, Kuh-e-Astaneh, Western Semnan, Central Alborz, Iran; *Iran International Zeolite Conference (IIZC08)*, 415-416, **2008** .

Bazargani-Guilani, K., abbani, M. S. : Zeolite Deposit Of the Aftar Region, West Semnan, Central Alborz, Iran; *Iran International Zeolite Conference (IIZC08)*, 431-432, **2008** .

Bazargani-Guilani, K., and yossefey, P,: Mineralogy of the Zeolotic-bentonitic sequences of the Koh-e-Arshe, north Central Irann; *Iran International Zeolite Conference (IIZC08)*, 134-135 , **2008** .

Bazargani-Guilani, K., and Rezaei S.: Chemical Composition and genesis of Zeolitic Succession, Sartakht, SE-Semnan, north Central Iran; *Iran International Zeolite Conference (IIZC08)*, 192-193, **2008** .

Bazargani-Guilani, K., Rezaei S., and Tutti, F.: Mineralogy and Crystallography of the Sartakht Zeolites, SE-Semnan, north Central Iran; *Iran International Zeolite Conference (IIZC08)*, 194-195, **2008** .

Bazargani-Guilani, K., Rabbani, M.S., and Irajian A.A.: Mineralogical specifications of the Gandi Zeolite, east of the Moaleman, north of Central Iran; *Iran International Zeolite Conference (IIZC08)*, 349-350, **2008** .

- Bazargani-Guilani, K.,** Rabbani, M. S., and Parchekani M.,: Amygdaloidal, Cavity and Fracture-Filling Zeolites of East Robat-Karim, North Central Iran; *Iran International Zeolite Conference (IIZC08)*, 419-420, **2008** .
- Bazargani-Guilani, K.,** Rabbani, M.S.,and Irajian A.A.,: Analcime Occurrences in Abdolabad Basin, south central Alborz, Iran; *Iran International Zeolite Conference (IIZC08)*, 423-424, **2008** .
- Bazargani-Guilani, K.,** Rabbani, M.S., and Faramarzi, M.: Zeolites and Copper Minerals at Kuh-e- Golestaneh, and Zeolites of Badamcheh, north Qom, Central Iran: *Iran International Zeolite Conference (IIZC08)*, 425-426, **2008** .
- Bazargani-Guilani, K.,** Rabbani, M.S.,and Hossini , Z.,: Chemical variation, Mod of Occurrence and Genesis of Cavity-Vein-Zeolites of Koh-e-Aradeh, North Central Iran; *Iran International Zeolite Conference (IIZC08)*, 429-430, **2008** .
- Bazargani-Guilani, K.,** Rabbani,M. S.,and Irajian, A. A.: Amygdaloidal Zeolites in Volcanic Rocks, Shahrood Province, North Central Iran; *Iran International Zeolite Conference (IIZC08)*, 433-434, **2008** .
- Bazargani-Guilani, K.,** Rabbani, M. S.,and Irajian , A. A.: Zeolite Minerals of Abbas-Abad and Kahak, north Central Iran; *Iran International Zeolite Conference (IIZC08)*, 435-436, **2008** .
- Bazargani-Guilani, K.,** Rabbani, M. S., and Fathi , S.: Natrolite, Epistilbite and Analcime in Amygdales of Altered Anedsite from Parandak, Central Iran; *Iran International Zeolite Conference (IIZC08)*, 417-418, **2008** .
- Bazargani-Guilani, K.,** and Rabbani N. S.,: A Review on the Zeolites of Central Alborz and north of Central Iran; *Iran International Zeolite Conference (IIZC08)*, 9, **2008** .
- Bazargani-Guilani, K.,** Parchekani M., Nekouvaght Tak M. A.,: Mineralization in The Taroum Mountains with Special Reference to the Barik-Ab Pb-Zn (Cu) Deposit, West Central Alborz, Iran; *2nd IASME/WSEAS International Conference on GEOLOGY and SEISMOLOGY (GES 08)*, University of Cambridge, Uk, 55-62, **2008** .
- Bazargani-Guilani, K.,** Irajian A. A., and Yossefy P.,: Geology and Mineralogy of the Bentonite Deposits of the Kuh-e-Arshe, North Central Iran; *2nd IASME/WSEAS International Conference on GEOLOGY and SEISMOLOGY (GES 08)*, University of Cambridge, Uk, 94-99, **2008** .
- Bazargani-Guilani, K.,** Nekouvaght Tak M. A.,: Celestite Ore Deposit and Occurrences of the Qom Formation, Oligo-Miocene, Central Iran; *2nd IASME/WSEAS International*

Conference on GEOLOGY and SEISMOLOGY (GES 08), University of Cambridge, Uk, 48-54, **2008** .

Bazargani-Guilani, K., Hosseini Z., Parchekani M., and Imandoust ,A.: Characteristic of Dolomites, Cretaceous-Paleocene Sequences, South Shahmirzad, central Alborz, Iran; 2nd *IASME/WSEAS International Conference on GEOLOGY and SEISMOLOGY (GES 08)*, University of Cambridge, Uk, 100-105, **2008** .

Bazargani-Guilani, K., Rabbani, M.S.,and Irajian, A.A.: Reaiew on the Natural Zeolites of Iran ; *Joint Meeting of The Geological Society of America (GSA) , Soil Science Society of America, American Society of Agronomy, Crop Science Society of America, Gulf Coast Association of Geological Societies with the Gulf Coat Section of SEPM, USA, Abstract, 2008 .*

Bazargani-Guilani, K., Rabbani, M.S.,and Irajian, A.A.: Occurrence of Analcime of Karaj Formation in Semnan Province, Central Alborz, Iran; *Joint Meeting of The Geological Society of America (GSA) , Soil Science Society of America, American Society of Agronomy, Crop Science Society of America, Gulf Coast Association of Geological Societies with the Gulf Coat Section of SEPM, USA, Abstract, 2008 .*

Bazargani-Guilani, K., and Faramarzi, M.: Microfacies, Depositional Sedimentary Environment and Primary Carbonates Mineralogy of the Cretaceous Succession in Bashm Mountain , south central Alborz, Iran; *Iranian Journal of Crystallography and Mineralogy, 15(1, 91-116; 2007*, (Persian, English abstract).

Bazargani-Guilani, K., Rabiie, M., and Esrafiy Dizaj, B.: Geochemistry and Hydrothermal Diagenesis of Cretaceous Carbonate Rocks of south Chashm, north Semnan, central Alborz, Iran; *The 26th Symposium of Eathh Sciences; Geological Survey of Iran; 2007*, (Persian, English abseract) .

Bazargani-Guilani, K., and Parchekani, M.: Petrology of Barik-Ab Tuffs, north Abhar, West-central Alborz, Iran; *The 26th Symposium of Earth Sciences; Geological Survey of Iran;2007*, (Persian, English abstract) .

Bazargani-Guilani, K., Imandoust, A., and Hosseini, Z.: Characteristic of Pisolite from Carbonate Rocks of the Pb-Zn Deposit of Darband Region, north Semnan, central Alborze, Iran; *The 26th Symposium of Earth Sciences; Geological Survey of Iran; 2007* (Persian, English abstract) .

Bazargani-Guilani, K., and Rezaei, S.: Petrography of Eocene Zeolitic Tuffs, Sartakht, South-east Semnan, Central Iran; *The 26th Symposium of Earth Sciences; Geological Survey of Iran; 2007* (Persian, English abstract) .

Bazargani-Guilani, K., and Rezaei, S.: Host Rocks and Genesis of Sartakht Zeolites, south-east Semnan, Central Iran; *The 11th Symposium Geological Society of Iran*; **2007** (Persian, English abstract) .

Tutti, F., **Bazargani-Guilani, K.**, and Yazdani, S.: Cristal Chemistry and Genesis of Stilbites in Volcanic Rocks of south Kahrizak, north Central Iran; *Journal of Science University of Tehran*, 32(3), 247-254, **2006**, (Persian, English abstract).

Nadjafi, A. A., and **Bazargani-Guilani, K.**: Studies on an Elephant Tusk Fossil Found at Mianeh Region, north-west of Iran; *Journal of Science University of Tehran*, 32(3), 275-281, **2006**, (Persian, English abstract).

Mehdizadeh-Shahri, H., Rabbani, M. S., **Bazargani-Guilani, K.** and Irajian A.A.: Study of Bentonites and Zeolites from Moalleman Area (south Dameghan), Sosenvar Bentonites and Gandy Zeolites Deposits, Iran; *Scientific Quarterly Journal Geosciences*, 16, 124-139, **2006**, (Persian, English abstract) .

Bazargani-Guilani, K., Rezaei, S., and Rabeie, M.: Characteristic of Zeolitic Balls of Siah-Zagh, south-east Semnan, north Central Iran; *The 25th Symposium of Earth Sciences; Geological Survey of Iran*; **2006**, (Persian, English abstract) .

Bazargani-Guilani, K., and Rabbani, M. S.: Deposition of Stratiform Celestite of Aftar Region, west Semnan, Iran; *Scientific Quarterly Journal Geosciences*, 12(55), 30-41, **2005**, (Persian, English abstract) .

Tutti, F., Yazdani, S., and **Bazargani-Guilani, K.**: Report of Analcime and Levyne in Hydrothermal Zeolite Assemblage in Volcanic Rocks of South Tehran ; *The 24th Symposium of Earth Sciences; Geological Survey of Iran*; **2005**, (Persian, English abstract) .

Bazargani-Guilani, K., and Faramarzi, M.: Geometry, Petrography and Composityon of Shahmirzad Cretaceous Dolomite, central Alborz; *The 24th Symposium of Earth Sciences, Geological Survey of Iran*; 8pp.;**2005a**, (Persian, English abstract) .

Bazargani-Guilani, K. and Faramarzi, M.: Geology and Genesis of North Semnan Pb-Zn Deposits, Iran, *The 24th Symposium of Earth Sciences, Geological Survey of Iran*; **2005b** (Persian, English abstract) .

Tutti, F., Yazdani, S., and **Bazargani-Guilani, K.**: Petrology of Volcanic Rocks of south Kahrizak (south Tehran) ; *The 9th Symposium Geological Society of Iran*; **2005** (Persian, English abstract) .

Bazargani-Guilani, K. and Rabbani, M. S.: Mineralogy, Chemistry and Genesis of Bentonite of The Eocene Sediments at Aftar Region, west Semnan, Iran *Iranian Journal of Crystallography and Mineralogy*, 12(2), 169-188, **2004**, (Persian, English abstract) .

Tutti, F., **Bazargani-Guilani, K.**, and Yazdani, S.: Petrology of Zeolite Bearing Volcanic Rocks and Origin of Analcime, south Kahrizak (South Tehran); *The 23th Symposium of Earth Sciences, Geological Survey of Iran*; **2004** (Persian, English abstract) .

Bazargani-Guilani, K. and Rabbani, M. S.: Amygdaloidal and other Cavity Filling Zeolites of Kuh-e- Aradeh, Central Iran; *Journal of Sciences Islamic Republic of Iran*; 15(2), 149-157, **2004**.

Bazargani-Guilani, K. and Rabbani, M. S.: Study of Amygdaloidal and Cavity Zeolites of Siah Kuh, Davazdah Emam and Aradeh Mountain, north Central Iran; *Sci. Bull. Of Atomic Energy Organization of Iran*; 24, 17-28, **2002**, (Persian, English abstract) .

Bazargani-Guilani, K. and Rabbani, M. S.: Zeolitization of Andesites of south Kahrizak, Iran; *Sci. Bull. Of Atomic Energy Organization of Iran*; 15, 63-77, **1998**, (Persian, English abstract) .
