

Putting Education in Place

Research Colloquium

The colloquium offers a platform to discuss questions about the changing nature of (higher) education and student mobilities with a view to understanding social transformations and power relations. Faculty and students from across the social sciences are invited to join the discussions and to present their work-in-progress. Our international guest speakers give new impetus to the discussion.

Venue

GeoCampus Lankwitz, Malteserstr. 74-100,
12249 Berlin

Registration

If you wish to join the work-in-progress sessions, please register by sending an email to Martine Friedmann (martine.friedmann@fu-berlin.de).
