PUBLICATIONS:

MULTIMEDIA:

THESES:

Heubeck, C., 1988, Geology of the southeastern termination of the Cordillera Central, Dominican Republic, Hispaniola: Master’s Thesis, unpublished, Department of Geology, University of Texas at Austin, 333 p.

ABSTRACTS:

Heubeck, C., 1997, Late Paleozoic tectonics and basin development in the Kunlun Shan, northern Pamirs, and northern Afghanistan along the southern margin of the Tarim-Turan plates: *Geol. Soc. America Abstr. w. Progr.*, 29 (6), p. ____.

Nie, S., and C. Heubeck, 1996, Late Paleozoic - Cenozoic Compressional Tectonics in Western China and Central Asia - Consequences for Hydrocarbon Systems: *30th International Geological Congress (Beijing)*, Abstracts vol. 1, p ____.

BP / AMOCO-INTERNAL REPORTS:

Heubeck, C. and J. Varsek, 2000, Regional evaluation of Play Type 5A (thrusted Cretaceous in the foothills) between Calgary and Sikanni River; Remaining exploration potential: Report presented to Amoco Canada management, May 2000.

AMOCO-INTERNAL ABSTRACTS AND PRESENTATIONS:

Rutherford, E., C. Heubeck, S. Stephens, and S. Nie, 1995, Plate-tectonic analyses of hydrocarbon systems: Case studies from the Middle East, central Asia, and western China (poster): Exploration and Production Sector Technology Conference (EPTech*95), June 1995, Houston.
