

Request for Graduation Documents

Bachelor's **Master's** **Student number:**

Last name:

First name:

Email:

I hereby submit my graduation request and also wish to apply for my graduation documents in the following degree program:

Students of the MSc Geological Sciences are required to provide the following information:

Focus:

The following modules are to be included, as they form part of the cross-disciplinary curriculum:

- (1) Earth science topics (12 credit points)
- (2)
- (3)

I completed more modules and/or credit points than required to graduate from the degree program. The following modules should not be included in the grade point average and/or should not be listed:

I hereby confirm that the information I have provided is complete and correct. I declare that I have not definitively failed any coursework or assessment, nor am I involved in a pending examination procedure, nor am I enrolled at another university or similar institution of higher education within the scope of the German Basic Law in the same course of study, same subject, or a module that is identical or comparable to one of the modules to be completed in the aforementioned degree program.
